TIMELINE AND CONCLUSION

TIMELINE

Starting Date

- Ideally, break ground on December 15th, 2023

Marketing Plan

- Once the building process begins, the marketing team will begin planning and creating marketing materials 2 weeks into the build, so December 29th, 2023

Time Process

Building a patio usually takes 4-5 weeks, so hopefully the build will be done by January 5th, 2024, also during this time, we will be rolling out the marketing materials

Grand Opening

The grand opening event should take place on January 7th, 2024 which is a Sunday

CONCLUSION

We expect the patio to increase Dry Heating Co’s profit and expand its customers reach, as well as take the Dry Heat Roasting Co experience to a whole new level.
